OS Grid Reference: Sheet 140 - SP 396 775

Start time: 0800hrs

Date: 12th June 2022

RAILWAY STATIONS:

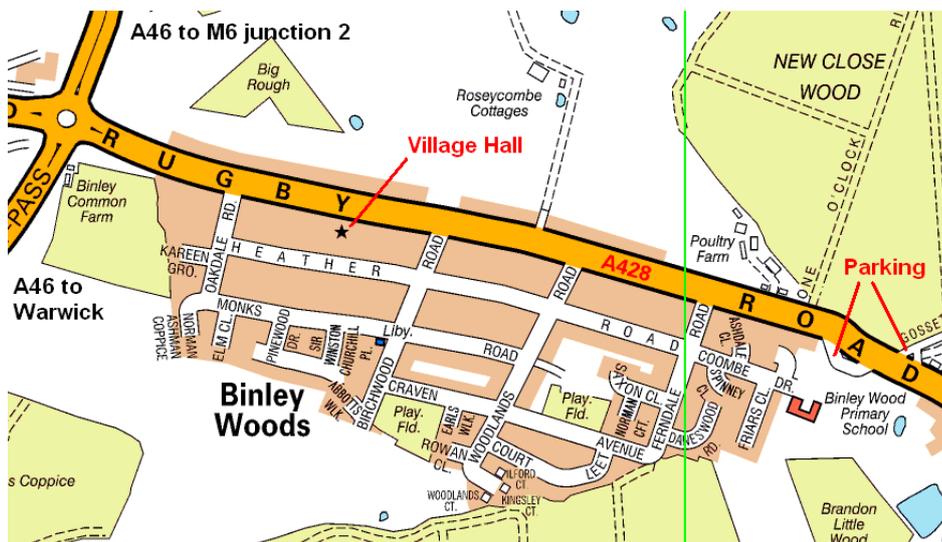

Rugby 8.7-miles east of Binley Woods on A428 - mostly rural roads

Coventry 5.0-miles west north-west of Binley Woods on A428 - mostly urban roads

CAR PARKING:

The "Church in Binley Woods" will be using the village hall during the day, so we have been asked to leave the car park available for their use.

Please park on local roads, or it would be better to park in the school lay-by on the eastern edge of the village, as shown on the attached plan. It's about half a mile to ride down to village hall from there.

THE EVENT:

We are using the Village Hall in Binley Woods at the start and end of the event. The hall will be open from 0730hrs, hot drinks will be available in the hall before and after the ride, which officially starts at 0800hrs. In practice we hope the first group will leave at about 0745hrs.

We were unable to hold our 100-mile ride in 2021 to celebrate CTC Coventry's Centenary. Therefore, this ride is doubling as the postponed Centenary Ride and a national Tri-Vets Ride: participation is not subject to an age limit.

The route uses OS 1:50,000 maps 140: Leicester & Coventry and 151: Stratford-upon-Avon, although all groups will be led, and route maps will not be necessary. A small-scale route is attached and GPX files of the route will be sent with registration confirmation.

12 hours are allowed for the event, which comprises a circular route into the north of the Cotswolds including the highest tarmac road in Warwickshire (Lark Stoke over the Ilmington Downs).

The route will take you along some of our favourite lanes and uses a variety of refreshment stops as you might expect on a Cycling UK event.

We intend to have fun, so please enjoy the day with us.
