

Secretary's Report for year ending 30 September 2019

On most Sundays, CTC Coventry held two rides starting soon after 9:15 from War Memorial Park. On nearly all Tuesdays, riders met at a café and then rode to lunch. A statistical overview is shown below:

Event Description	Number of rides	Median attendance at some point	Percentage female	Average age	Different riders	Riders appearing once or twice	Riders appearing 15 times or more
Shorter Sunday rides	40	9	33%	55-64	85	57	6
Longer Sunday Rides	42	8	25%	65+	53	28	5
Tuesday	47	7	14%		38	14	10

The shorter rides were organised in conjunction with HSBC Let's Ride. We also had a stall at the Let's Ride Cycling Festival (ring road closure), see Chairman's report.

CTC Rugby organised Wednesday rides throughout the year, with five starting points positioned around Rugby facilitating rides in all directions. They also held two 100 mile rides in summer. Most riders were male and over 65.

Three tours were undertaken, see [website](#) for details:

- Sardinia (leader Mike Thomas)
- Ladies Northamptonshire Tour (leader Vicky Palethorpe)
- Peak District (leader Bob Tinley)
- Cotswolds (leader Allan Jelley)

Bob Tinley was also the main organiser of this year's Triennial Veterans' 100 mile Ride.

Dave Hearn was in charge of the Christmas festivities. Although only a few of our members attended the carol service, many came from other clubs. 34 attended the Christmas Dinner at Time for Tea, Kenilworth.

Dave also organised wreath laying at May's Cyclists' Memorial Service in Meriden and a programme of eleven fortnightly digital presentations.

Alan Jelly maintained the wordpress website for the group. Bob Tinley emailed a weekly reminder to local members of forthcoming rides and other events. George Riches represented Cycling UK members in meetings with Coventry Council and the WMCA.
