Correspondence

The business cards from CTC look good. There was some discussion as to whether putting a sticker on the back with our details gives a good impression, should we get them printed? No conclusion.

Bob has written to Gordon thanking him for his many years of service to the club. Gordon sent an appreciative reply detailing the offices that he has held and recalling his adventures on early tours.

Bob has had a photo album made with pictures of Gordon over the years; this will be presented to him.
