Secretary's Report

A written report covering the year to 30 September will be circulated prior to the AGM

Coventry CTC section centenary

- Dave Hearn reported that he was investigating the costs of printing a commemorative booklet
- Vicky Palethorpe agree to attend the next meeting of the centenary celebration sub-committee

Ladies Ride on 15th July 2018

Vicky Palethorpe reported that the following ideas had been generated:

- Bicycle maintenance lessons (GR to forward VP details of New Life Cycles)
- Ride leader training
- Cycling skills training
- Information about the expected length, hilliness, pace and return time of each rides should be made more visible
- Be more organised about offering a ride which accompanies the longer ride to its morning break and then returns

Christmas Dinner

Dave Hearn has booked TimeForTea in Kenilworth for 16:30 16 December

Sunday & Tuesday rides

See published runs lists.

Clubroom

Dave Hearn reported. In the 2017/18 season, 12 slide shows had taken place, seven had an attendance of 20 or more and a surplus of £96 had been generated. Progress was being made in obtaining speakers for the 2018/19 season.

George Riches expressed the opinion that the Auditor's job would be easier (and the accounts simpler) if there were nothing owed to/by the member group by/to individuals at the year end (30 September).

Future tours

Bob Tinley floated the ideas of

- 5 night (Monday-Friday) Wales tour in October
- Sardinia tour in April 2019, before Easter.

Next Meeting
