## Reports

For more details, contact the person mentioned for the specific item.

- **Clubroom.** Dave Hearn reported. Surplus for the season (net of rent): £105. per meeting rent charge rising from £18 to £20 for the 2019/20 season.
  - **Cycle Coventry.** Vicky Palethorpe reported. She met with Richard Smith. Cycle Coventry was focusing on rides starting from the NE of Coventry in March, April and May. Consequently our rides on 14 Apr and 12 May would make a stop at Caludon Castle.
  - **Centenary Celebrations 2021** Bob Tinley reported. An idea of publishing a cycle route which illustrated historical sites in and around Coventry was being considered. Dates
    - 16 May 2021. Barbeque at Fillongley. After the 100th Meriden service
    - 6 June 2021. 100 mile ride on Little Wolford route
    - 12 September 2021. 100km ride. Two options under consideration
- TriVets.** Bob Tinley reported about catering arrangements.

## Tuesday and Sunday programme

See published runs lists. Bob agreed to find a volunteer for the shorter Sunday ride on 23 June

## Any Other Business

- **First Aid.** Bob Tinley had attended a three hour course. He felt it worthwhile and noted that recommended practice had changed considerably since the last course he had attended.
- **Ride cancellation due to severe weather.** Bob Tinley reported. Riders should note that in the case of Sunday rides there would always be someone at War Memorial Park at the published start time who would inform prospective riders whether the ride had been cancelled. In the case of Tuesday rides, it was incumbent on prospective riders to check with the named leader if severe weather was likely to occur. When a leader is aware that a specific person is considering attendance, the leader should inform him/her, but prospective riders should not depend on that.
