CTC Coventry Centenary Dinner Bulletin

1st October 2021

We all know life has not been easy over the last few years, but everyone has put so much effort into this year's club celebrations that we really wanted to end on a high note.

Cycling through the pandemic has helped us stay connected under difficult circumstances: we are now looking to bring organisers, regular riders and less frequent riders together for a celebration of the club and all that has been achieved.

The Centenary Dinner to be held on 1st October will be an opportunity for us to sit back, relax and meet both old and new friends during a celebration meal.

There will be great cuisine, a few speakers, including Sarah Mitchell, the new chief executive of Cycling UK and Adam Tranter, Coventry's Cycling Mayor and a charity auction to boost our on-going Air Ambulance collection, which will be presented to a representative of the Air Ambulance Service. All this will keep you occupied and all for £25.

This club is not just a club, it's a community where all are made welcome and we look forward to seeing you on the 1st of October at the last big Centenary Event of the year. The Dinner is being held at Hearsall Golf Course on Friday 1st October. It has been planned as an informal dinner, with time to relax before, during and after the meal with cycling friends in comfortable seats, in 'smart-casual' gear. We will celebrate how the Club has gone from strength to

strength in recent years and how we are looking forward to a thriving future.

It would be a shame to let an excellent and relaxing evening slip by, so please make sure you have booked your places (partners are very welcome) by emailing Keith Jeacock: k.jeacock@btinternet.com, he will book you in and send you an email with details of how to pay - it's pretty good value at £25. Full details can also be read on the website: <https://coventryctc.org.uk/club-centenary-dinner>.

In case you have any worries, the usual and full covid precautions will be in place and table service only will be in force at the event.
